INTERESTS

Coding

Watching Shows

Mistry, adventure, and culture are portrayed in films, and watching them have broadened my point of view and how I see the difference in others.

Gaming

I love games.

Adventure

Love the outdoors as it creates application opportunities to think outside the box and challenge yourself.

Basket ball

It has challenged me to be responsible and disciplined both in and out of court. Plus has made me aware that teamwork is a fundamental tool in one's growth .

Cooking

My first job was as a cook and that is when I found out that cooking and I were meant to be ever since I enjoy every aspect of cooking including pastry.
